Accessibility information

Student Disability Services (SDS) works to provide resources, support and accommodations for all students with disabilities and works to remove physical and attitudinal barriers, which may prevent their full participation in the University community. Students that would like to request accommodations should contact SDS in advance of the first class session at 773.702.6000 or disabilities@uchicago.edu.

UChicago CARES Statement:

The University and its faculty are committed to creating a safer and more inclusive learning environment for all students. At the University, all faculty, staff, graduate student instructors, and teaching assistants are considered “Individuals with Reporting Responsibilities” and are required to let the University’s Title IX Coordinator know about any disclosures they receive from students about experiences of sexual misconduct (including sexual assault, dating violence, domestic violence, stalking, and sexual harassment). This includes disclosures of experiences that happened before their time at the University. This is to ensure that all students who have experienced sexual misconduct receive support, options, and information about their rights and resources. Students are not obligated to respond to this outreach, and this will not generate a report to law enforcement.

For more information, please see [this handout for students](#) as well as the [University’s Policy on Harassment, Discrimination and Sexual Misconduct](#) and [Policy on Title IX Sexual Harassment](#). You can also reach out directly for services and support from the [Office for Sexual Misconduct Prevention and Support](#) by emailing titleix@uchicago.edu.

If you, or another student you know, wishes to speak to a confidential resource who does not have this reporting responsibility, please contact the Sexual Assault Dean on Call through the UChicago Safe App or at 773.834-HELP.
